To Whom It May Concern:

**REFERENCE LETTER FOR ACE ENVIRONMENTAL SOLUTIONS**

This letter serves as a reference with regards to the outstanding dedication and performance of **ACE Environmental Solutions**. The contract calls for a turnkey solution on the **Telkom SA SOC LTD SAQ** project and required the following works:

- Site Acquisition including initial site surveys (ISS) initial site survey reports (ISSR) technical site surveys (TSS) and provision of drawings, ranging from Rooftop, Greenfield and Shared sites.
- Ensure delivery of fully-executed leases, permittable sites and Ready to Build sites (RTB)
- Liaise with the client, Land lord, council planners and plan examiners.
- Understand the city, district and provincial network and legislative jurisdictions and policies
- Management of lease agreements
- Management of building plan applications in terms of the provisions of section 7(1) of the National Building Regulations and Building Standards Act 103 of 1977.
- Civil Aviation Permit applications,
- Applications for electricity connection and other site acquisition documentation
- EIA Permit submission, Land Use applications

I can recommend ACE Environmental Solutions as a competent company in this industry.

Regards,

Richard
