To Whom It May Concern:

REFERENCE LETTER FOR ACE ENVIRONMENTAL SOLUTIONS

This letter serves as a reference with regards to the outstanding performance and dedication from ACE Environmental Solutions (Ace).

Ace has been actively part of our Professional Team since 2011 and have successfully managed multiple sites simultaneously. The following deliverables formed part of their deliverables:

1. Gauteng Department of Health, New 300 Bed Daveyton Hospital- Ace manage to obtain an EIA exemption letter from GDARD.
2. Successfully and in a timely manner obtained Environmental Authorization (EA) for the development of Phomolong Cultural Village
3. Obtained new Waste License and Environmental Authorization for the **Walkerville** solid waste disposal site.
4. Obtained new Waste License and Environmental Authorization for **Vaal Marina** Waste Disposal Site
5. Obtained EA for Department of Housing, Fort West Housing project
6. Obtained EA for Golden Gardens Housing Development
7. Conducted a Feasibility study for Bantu Bonke development

We at SCIP Engineering Group can highly recommend ACE Environmental Solutions.

Yours faithfully

Cobus Booyens
