To whom It May Concern:

REFERENCE LETTER FOR ACE ENVIRONMENTAL SOLUTIONS

This letter serves as a reference with regards to the outstanding performance and the dedication from ACE Environmental Solutions.

ACE Environmental Solutions conducted the Basic Assessment Report along with the Environmental Management Plan for the Granville Mining Permit application. ACE further assisted in obtaining the ROD form the Department of Water and Sanitation for the stockpile of the project.

We at Tiara Mining can highly recommend ACE Environmental Solutions.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Stephen le Roux
Operations and Technical Manager
